THANK YOU

Thank you for a strong finish in your stewardship for 2015 which will allow us to finish the year "in the black." In addition to your faithful tithing to the general fund, we also finished the year with over \$14,000 in our 2015 World Missions Offering which we will divide proportionally among our three seasonal offerings.

FINAL REPORT COMING

We received several "last minute" checks in the days after the final Sunday service of 2015. That, coupled with the fact that we spent week one of 2016 getting the year end giving statements prepared, means we will wait for a final December & 2015 report until we are sure all 2015 funds and bills are accounted for. At that time we will make a handout available giving you a detailed breakdown of the general fund, World Missions disbursements, and JOF principal payments. Again, thank you for supporting God's work through your church.

- 6:00 pm: Small group topical studies return for Spring

As we mentioned last week, we have several current and upcoming projects that we need or will need some volunteers to help us complete. Right now, the most immediate project is to paint a pantry and classroom at the South Campus so we can lay some tile and carpet. If you have a day or evening you could give to this, please let Bro. Scott know.

We are also continuing our work on getting the WRC back room cleaned up so we can start our Benevolence Ministry. We will be scheduling workdays for that and to clean out our attic storage at the South Campus. If you have an interest in helping with either of these, let Bro. Scott know so he can put you on the call list.

Also, please check out the insert in today's newsletter about how you can help with the upcoming Singing Churchmen of Oklahoma concert at FBC Skiatook in February.

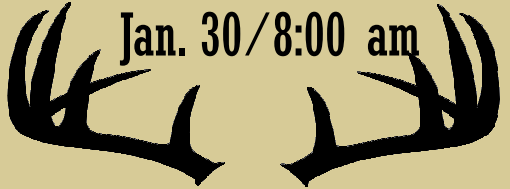

Spring Break Mission Trip March 12th-18th.

This will be open church-wide to older youth and adults, but we will only have 10 spots available; so, because of time and space those interested need to let Bro. Landon know soon. We could be serving in a clean-up at a current disaster response site or be involved in a rebuild at a previous disaster site. You don't have to be skilled in any particular area, you just have to be willing to learn and serve. You have to be at least 14 years of age. The location of where we will go is not certain yet, but we will know more the closer we get to spring break. You can find more information on the Samaritan's Purse website below or contact Bro. Landon.

FIRST BAPTIST CHURCH

West Rogers Campus

THE SCM ARE COMING TO FBC SKIATOOK

On February 4th our sanctuary will reverberate to the sound of 130 singers and 35 musicians as they proclaim the glory of God in music. The Singing Churchmen of Oklahoma have performed their music for over 50 years across Oklahoma, the US and in Spain, China, Russia, Israel, Australia, Armenia, and Latvia. They have several recordings to their credit and recently completed their second partner project with Lifeway, featuring the Singing Churchwomen and Churchmen together.

This will be a major outreach event to our community that will require an army of volunteers. If you would be willing to help us host this event, please let Bro. Scott know. We will need the following teams of volunteers:

• USHERS / GREETERS

With 160+ people arriving throughout the day we will need a troop of greeters, pointers and van drivers to get the SCM to the right places. Plus we will need a team that night to welcome concert goers, collect the offering and handle crowd issues.

• HOSPITALITY

We will be feeding the 30 orchestra members a light lunch, and the entire group an afternoon snack and evening meal. Barbara Trego will be looking for people to help cook, serve and provide snack food.

• BUILDERS / SET UP

Probably the largest task will be outfitting our stage to accommodate the singers and orchestra. We had the small group (70-75) scheduled last year but got "iced out." This year we have the larger group coming, so we have to make some additional temporary modifications to our stage area to handle the group. We will be working the weekend and entire week before the concert to get this ready, so if you can give any evenings or days to this team it will be greatly appreciated.

• MISCELLANEOUS

And in addition to these teams, there are a variety of other odds and ends jobs that will need to be done in the days leading up to the concert (set up classrooms for dressing areas, poster distribution, mail outs, etc.)

If you would like to help, sign up sheets are at the WRC Welcome Center.
