# Did U know?

**RANDOM "STUFF" ABOUT OUR CHURCH THAT YOU MIGHT WANT TO KNOW...**

>**Did you know** that all of those cars at our WRC on Fridays during the school year belong to the dozens of families in the Heartland Home Educators group who use the WRC for their weekly co-op meetings. They also clean the building on Fridays when they're through to get it ready for Sunday and, out of gratefulness for getting to use the WRC, they always give us a generous donation which covers upkeep. Their co-op has flourished and has started a band, a choir and many other activities that our campus has provided them the space to accomplish.

>**Did you know** that our public schools also use our campuses for activities throughout the year. In fact, the next two weeks you will see a handful of cars at the WRC most mornings as BOTH the HHE and Skiatook High School will be conducting AP testing in our facilities.

>**Did you know** that our church is the polling place for Skiatook's largest precinct. The election bureau is "overjoyed" to have a place where voters can get out of the weather when lines are long.

>**Did you know** that most months, our South Campus and West Rogers Campus will average 25-30 events in addition to our regular church activities. These include scouts, ball teams, school groups, family parties, community organizations...and the list goes on! Thank you for your generosity in serving Skiatook!

>**Did you know** that one of our 2015 Seniors will be spending a part of her Summer on mission in Italy. Karly Maddoux will be serving with World Changers International, a ministry of our International Mission Board. She recently met with our Missions Ministry Team to go over her mission plans and our plans for her to share with the church when she returns. We ask you to support Karly with your prayers and notes of encouragement. If you would like to contribute to help Karly meet her trip expenses, you can do so through the church office.

>**And finally, did you know** our facilities manager, Bill Linton, is doing much better with his rehab and hopes to be out of the hospital soon. After almost 2 months in the hospital, they are finishing the last rounds of his antibiotics and continuing his physical rehab. Continue to pray for Bill & Gladys). We also want you to know how thankful we are for all who have volunteered to cover everything from the small things Bill does (locking / opening up, changing light bulbs, etc) to the major items like cleaning the facilities (a big thanks to John & Karen Roberts for their daily help in cleaning the WRC). And everyday we run across people like Buddy Long, John Martin, Kim Linton & Julie Crow who have covered yet another job. Thank you, to these and the others too numerous to mention. **Did you know** it's good to be in a loving, generous family!

## SENIOR SUNDAY May 17

**FOR OUR HIGH SCHOOL SENIORS

### CONGRATS TO OUR COLLEGE GRADS, TOO!

If you or your family member is completing a college, trade school or other post graduate degree, please contact the church office with the following information: Name, school attending, degree/certification attained. We will post these in the newsletter for the church family to see!

## CELEBRATING MARRIAGE & LIFE

At First Baptist Church we celebrate the gifts of biblical marriage, new life and parenting. We also recognize the spiritual requirements of Christians to use these gifts according to God's instruction. That's why we desire to help families get started on a spiritual footing with special events that celebrate biblical marriage and parenting. Please pray for and support these efforts to help our young families in this important call on their lives. **Celebrate Life & Biblical Marriage events are sponsored by the Women's Ministry of FBC Skiatook. For more details contact the church office.**
