# LIVING GENEROUSLY

HARVEST OFFERING: A DAY OF GLORIOUS GIVING

Get more details at tonight's Quarterly Church Conference

## KARLY MADDUX HEADED TO BELIZE

One of our college students, OBU Sophomore Karly Maddux, will be going on mission to Belize, Dec. 18-26, to work with a church there. They will be going out into the city and spreading the word about the church and serving in a local orphanage. Please support

them with your prayers as they share Christ with the people of Belize!

If you feel led to support Karly financially, she is selling tee shirts to help raise money for the trip. They are \$20 and all profits will go to pay for the trip, with any left over profit given to the church in Belize. Sizes available are Adult S-3XL (2XL and 3 XL are \$2 more). If you're interested in a shirt you can contact Karly at (918)645-2863 and leave your name and the sizes you want, or you can contact her mom, Kim Maddoux, at church. She asks that you try to order & pay as soon as possible so she can get the order in quickly! It would be best for the money to be in by October 16, because that is when her first big trip payment is due, however she will still be selling the shirts after that if you need to wait! Remember, above all, pray for them as they prepare and go!

This fall we have expanded our kids' worship through 3rd grade so we are looking for additional volunteers who are willing to work a rotation. QUESTIONS? [sjordan@fbcskiatook.com](mailto:sjordan@fbcskiatook.com) or 918-396-7859

**Our Most Sincere Thank You** for your thoughts, cards and memorial contributions, in memory of Carol Hunter. She will be missed but we had her for 102 years and many memories were made during that time. She was the last of her six siblings and now they are all together in Heaven, so how great that is. During your quiet time, I think you can hear them singing. Mama must be playing the piano, Ray the saw. I will always remember Mama's large pots of chili and that cinnamon applesauce she would make. Wish I had some right now. I also can remember having liver and onions which I could have done without. During her lifetime she experienced many changes in this world, worked, raised her family and enjoyed life. Mama was not a world traveler but I think she may have enjoyed that? She was a traveler but on Grey Hound Bus Lines. She made many trips on those buses. I think she may not have trusted the bus drivers as I am finding many travel insurance policies in her belongings.

Many thanks again!  
 Larry, Shirlene and Family
