## The Baptist Messenger

If you signed up for The Baptist Messenger, you should receive the first issue with our church wrap on October 30. If you gave us your e-mail address you can also receive it digitally. If you didn't sign up, but would like to receive it, contact the church office. Also, if you didn't give us your e-mail but would like to get it digitally, call the church office and we can add your e-mail to the digital list. The church is providing this free of charge to church families through 2015.

## PHONE ISSUES!

We have had several complaints recently of people not being able to reach the church office by phone, in spite of the fact that we have been receiving calls regularly. Through coincidence and trial and error, we finally traced the problem to the fact that AT&T repaired a severed line in our neighborhood about two weeks ago and in the process reversed two of our line feeds...meaning our primary number became our roll over number. So, some calls went through while others simply rang unendingly. Hopefully, by the time you reads this it will have been repaired, but we wanted to offer you an explanation why you may have thought no one was here. Isn't technology wonderful?!
