…OUR PRIMARY STRATEGY IS SMALL GROUPS!

That's not just talk. We truly believe that true connection with Christ happens when Christianity becomes a lifestyle, not a weekly event...AND we believe that happens best when we live in community with other Christians who encourage us and support us in our times of strength and weakness. If we are to connect more people to Christ, His truth, His family and His mission, we will need MORE small groups...meaning we will need MORE small group leadership. Actually, we need many new workers immediately just to start 2017-18 fully staffed and we hope by next fall to have started several new small groups. If you have a willingness to serve as a small group leader in any age group…Preschool, Children, Youth or Adults… please contact a staff member and we will be glad to let you know what is required and how we can help you get trained to connect people to Christ as a small group leader!
