STEWARDSHIP / ATTENDANCE

GOOD NEWS!

We had a great final week of stewardship in 2017! We had some strong year end gifts come in along with our 5th Sunday Offering. But with the holidays hitting on Mondays and some staff out sick or on vacation, plus trying to close out December and 2017 simultaneously, it was not possible to get it all properly sorted out by press time. So be watching next week for a year end wrap up. 2017 will end in the black because of your faithfulness in the stewardship of your finances. Thank you!

**At FBC SKIATOOK we exist to
CONNECT PEOPLE to
JESUS, HIS TRUTH, HIS FAMILY
and HIS MISSION.**

**Our primary method for this is our SMALL GROUPS.
We encourage you to join one today!**

2018 IS ALL ABOUT FAMILY!

In 2018 we'll take a closer look at the biblical role of the family and how we can minister to the various kinds of families within our larger church family. Be looking for a different family event every month!

We'll kick it all off where the Bible designed it to Begin...with marriage. Along with teachings on the subject, we'll have a date night January 28, called **"Marriage 2.0 Refresh."** It will be a banquet for married couples with Ted & Jerri Kersh as our guest speakers. Check your calendars and then be ready to sign up next Sunday. More details will be in next week's newsletter and registration stations will be available at both campuses on January 14 & 21.

Marriage
2.0 Refresh
January 28 @ 6:00 pm

**FAMILY
WORSHIP**

In 2018 we'll still continue many of our regular church programs like 3rd Sunday Small Group Planning, AWANA Clubs, First Mom's, etc., but we'll also be encouraging families to spend Sunday nights together in the Word at home. Be watching for special training opportunities to help you in having meaningful family worship.

READING THE BIBLE TOGETHER

2018 The Year of The Family

In 2018 we are encouraging our church family to make Bible reading a consistent and intentional practice in our homes and particularly to do it together with our spouses and children. Even if you are a "family of one" we encourage you to find a fellow small group member or other friend to read with in an accountability relationship to be faithful in reading God's Word. If you need some help finding a reading plan, we suggest you go online to

bibleplan.org

They have many good plans as does You Version, which many of you already use on your mobile phones. If you need help accessing a plan, call the church office and we'll give you a hand. Whatever the plan, we encourage you to make "Reading the Bible Together" a priority in 2018!

BAD WEATHER POLICY

It's winter in Oklahoma and at any moment the weather could turn ugly! If we have severe weather (ice, snow, flooding, etc.) keep in mind the following...

- 1) We will contact the Tulsa TV stations as soon as we make a decision regarding closures. Also check church social media and network with other church members as TV stations are not always able to get announcements on at the last minute. If power outages are an issue, we will contact KRMG radio, too.
- 2) We will *always* attempt to open the church for Sunday morning services. If the weather is extremely bad, we may open for worship only, but we usually have people who can make it and some who may need to make it because of power outages at home.
- 3) Decisions concerning Sunday night services will be announced at the morning services.
- 4) If school is cancelled on Wednesday because of weather, we will also cancel the evening church activities.
- 5) ***BOTTOM LINE! The best rule is your own common sense and personal comfort. If you do not feel safe getting out, then please don't. Better safe than sorry.***

If you haven't been to our website lately you need to go check it out!

fbcskiatook.com

Several of our church members have been giving their time to get the new site up and running and later on we'll list them specifically for a proper thank you. In the meantime, if you have questions regarding the website, give us a call and we'll see if we can answer them or find an answer. There will be updates, tweaks and glitches to deal with for a while, but it's already a big step forward and will only get better in days to come. For instance, several of you have called about where to find the newsletter. Kristian Foster did a great job of setting that up before he left for Taxco and while he was gone we did a great job of accidentally deleting it 😊 thanks to a glitch (i.e. Bro. Scott using the old method for posting it from his computer). So, just give us a little time to work out the glitches and cover the learning curves. If you have a suggestion for the site feel free to send us an e-mail and we'll pass it on to the staff or website committee. It's just one more method we are utilizing to ***"connect people to Jesus, His Truth, His family and His mission!"***
