HAPPY Mother's Day

JOINING HEARTS MOTHER'S DAY OFFERING

The Mother's Day Offering is a collaborative effort of Baptist Village Communities, Oklahoma Baptist Homes for Children and Baptist General Convention of Oklahoma designed to celebrate motherhood by demonstrating Christ's love in a tangible way to those in our community.

EXECUTIVE PASTOR

SENIORS, GET READY!

Thank you all for your support and the beautiful words of encouragement so many of you gave Kim and I at our wedding last month. We began day one of the honeymoon reading the encouragement cards you wrote...one per day just like we said...and it has been a blessing. We think we have enough to last the rest of 2024. We're now back from the honeymoon, rested, refreshed and ready to hit the ground running. There are several new ministry challenges I'll be "attacking," but one in particular will be our Senior Adults.

First of all, you read last week about our "just for fun" event coming up May 20, 5:00-7:30 pm at the South Campus. It's going to

be a night of fellowship, food and fun and it's a great outreach opportunity, so sign up a friend. The cost is \$35, but that includes your canvass, paints, brushes, smock, expert instruction and food and snacks. The event is hosted by our Senior Adult ministry, but this is also a great "cross-generational" event, so feel free to sign up your adult kids as well. If you didn't sign up in your small group, call the church office so we can include you in the head count.

On a more serious note (not that fun isn't a serious matter), I will be hosting a meeting May 30th

BILL AND SUSAN
PIERCE INSTITUTE
TRANSFORMING LIFE EXPECTANCIES

with a group of about 30 hand-picked senior adults from our area and a team of representatives of the Pierce Institute for Transforming Life Expectancies. The Pierce Institute is a new creation of Oklahoma Baptist Village Communities. It has several functions, but among them, it has been tasked by Oklahoma Baptists with the role of helping to transform Senior Adult ministry in the local church. To kick start that, they are conducting "listening sessions" with senior adults around the state. We are glad to have input into this process and believe it will be a catalyst for our local Senior Adult ministry. I'm excited to see what comes from this.

Also, mark Thursday, May 23, for our next monthly breakfast (8:30 at the South Campus). We'll have some good and helpful info for you along with the usual food and fellowship.

Thanks again for your love and support!

Building Bible Skills with Preschoolers

Preschoolers can learn that the Bible verses they hear are actually in the Bible. When preschoolers are guided to turn the Bible pages to locate Biblical words, phrases, and passages, they learn about the written Word. If you have not purchased a Bible for your preschooler, now is the time.
